

# Quick guide to navigating the Research Launchpad

The Research Launchpad is a digital hub for research at Southern Cross University, accessible to all staff and students.

This guide will support you to navigate the Research Launchpad, to find the research information, tools, links and resources that you need, when you need them.

You can log in to the Research Launchpad at any time via our [Research Services and Support page](#). Browse the Launchpad areas for key research information. Below are some highlights of what you can find in each area.

 <p><a href="#">Research Funding</a></p> <p>Here you can find all information, resources and forms pertaining to research funding, grants and contracts, including external funding opportunities, processes for applying, FAQs and Grants and Contracts Services.</p>	 <p><a href="#">Research Ethics and Integrity</a></p> <p>Here you can find all information, resources and forms pertaining to Human and Animal Research Ethics, and Research Integrity.</p>	 <p><a href="#">Research Strategy, Governance and Reputation</a></p> <p>Here you can find information, links and resources pertaining to research codes and classifications, and defence export controls.
